

Good Day Broadway West Performer Parent!

Starting with 2019 Broadway West Studio is offering the option of paying your child's tuition and other performance items with your credit card.

How this will work:

We will send you an email with an invoice for your child's tuition etc..with a link to pay it with your credit card through Paypal.

What will this do:

1. Offer the convenience of paying your child's tuition online instead of going to the bank to get the cash or writing a check..

Note: Payments will be slightly higher than by paying by check or cash at studio. Per each transaction >> Credit Card companies charge 3% and Paypal charges 30 cents.

What this will NOT do:

- 1.This will not be: an automatic monthly payment. Too costly and just not worth it except for the banks. \_\_\_\_\_ <<<<Initial here.
